Re: 582-028

Dear Bill:

We have just learned of an additional South African patent application relating to the R. J. Reynolds' process, and we attach hereto a copy of the patent journal page relating thereto. We have ordered a copy of the application from South Africa and will forward a copy of the same to you, as soon as we receive it.

I have briefly discussed the above with Frank Resnick and have sent him a copy of the journal page.

Sincerely,

Howard K. Kothe
